## New Year, New WRP Database

The 2013 Workforce Recruitment Program (WRP), a no cost recruitment resource, is available for public and private employers seeking a diverse workforce of individuals with disabilities, including veterans. Sponsored by the U.S. Department of Labor's Office of Disability Employment Policy (ODEP) and the U.S. Department of Defense Office of Diversity Management and Equal Opportunity, the newly updated WRP database contains over 2900 profiles of college students and recent graduates from over 300 campuses representing a wide variety of academic backgrounds and degree levels.
