Employer Assistance and Resource Network

EARN Launches Updated Website

The EARN website has had a facelift! The Employer Assistance and Resource Network announces the launch of its revamped website, www.AskEARN.org. The website was expertly redesigned in response to feedback from employers and other users. Streamlined with connections to social media and now adaptable to mobile devices, the new EARN website continues to provide valuable resources for employers seeking to recruit, hire and retain qualified employees with disabilities.

For more information and resources, visit www.AskEARN.org.
